Elmira Lodge #62 extended a little help to one of our own members with Cerebral Palsy. The Lodge spent \$950.00 to have Fellow member Larry Rice's driveway repaved. Larry and Marjorie Rice, pictured above along with Exalted Ruler Rich Taylor, on their new black top, at their partridge street home, wished to express their appreciation for the much needed driveway repair. Our Lodge has always taken its Major Projects commitments very seriously to help Support the State Association and CP of NY Home Care Programs. Here, we were able to help one of our own members with Cerebral Palsy.

On May 29th, members of **Saratoga-Wilton Lodge #161** including ladies aux. were at the Stratton V.A. Medical Ctr. in Albany NY. Items including games, dvd. videos, baseball caps, and a selection of personnel items were brought to V.A. Ctr. for the many military veterans to have and use. Also during visit, elk members were on 5 different floors of V.A. Ctr. offering ice cream and pop corn to many of the patients if authorized according to their medical status. T.

Saratoga-Wilton Lodge #161 During mid April, a six man volunteer group from the Veterans House in Ballston Spa, did a great job in giving our lodges outdoors area a great spring cleaning. This group of homeless veterans served in our Nations Air Force, Navy, Marines, and Army units during the Vietnam war. They are our welcome guests anytime during our monthly public dinners and breakfasts, and they were willing volunteers, giving us a hand in cleaning up our outside lodge area. They were under the guidance of Steve Green, lodge P.E.R. After doing a great job, they all enjoyed a lunch of pizza and chicken wings.

Herkimer Lodge #1439 250 dictionary's were handed out to 4 local school 3rd grade classes, Heading up the project for the 5th straight year is Per Patti Sullivan with her husband Charlie in the back ground pictured left.
