CLMS 2 Upgrade Request Deadline

If your lodge has not yet requested upgrade to CLMS 2, there are only a few days left. I strongly encourage you to request the upgrade **NOW**; if you require time to finish corrections, you will have a few days before Grand Lodge asks for your final backup. But if you do not request upgrade before the deadline, you will be left out. All membership data will have to be re-entered.

For information on how to request an upgrade, read the article on the state website, nyselks.org, under News entitled 'CLMS 2 Upgrade'.
