From Our State Secretary

During our Conference in September, the hotel experienced a power failure which we understand was an inconvenience to some of our members.

The hotel has made a contribution to the Association to be used for our charitable endeavors. While we would like to use this money for charitable projects, some members have requested compensation for their inconvenience. Accordingly, it is suggested that those of you who feel that you are entitled to some type of reimbursement, please send me your name, address, Lodge number, a copy of your paid bill, and a brief summary of the inconvenience you experienced. We will then process your request as quickly as possible. It is estimated that one night's rental would amount to approximately \$97. We would appreciate having this information sent to my office no later than March 15
