Reporting Charitable Work

Your Government Relations Committee is working hard trying to get 100 percent reporting. Though we are improving each year, we are still probably only reporting about half of what we should be. The rule to follow is that all work performed for charitable, patriotic, civic-minded, or community-related purposes should be reported.

These are also great items to report to NY Elks in Action on our NY Elks website. Send an article and a picture to webmaster at nyselks.org.
