In memory of those lost
25 years ago on 9/11/2001

The New York State Elks will never forget

This year marks the 25th Anniversary of “911”. This year’s pin commemorates the tragic events of that day and renews the memory of those lost on and after September 11, 2001. New York State Elks will “never forget” the families, friends and heroes we lost.
